## + SUMMARY

As a Full-Stack Developer, I design and build comprehensive web applications, handling both front-end and back-end development. I create seamless user experiences using technologies like JavaScript, React, and Node.js, and ensure robust, scalable solutions by managing databases and server-side logic.

## + EDUCATION

### Kathmandu BernHardt College

Kathmandu model secondary school / Kathmandu / January, 2022 - Present

I am currently pursuing my bachelor's in computer science.

## + PORTFOLIO

### Portfolio Website

I design and build comprehensive web applications, handling both front-end and back-end development.

<https://milanthapa2003.com.np/>
